Subject: Middle School Electives Selection 2017-2018

Dear Middle School Students & Family,

It is time to select middle school electives for the year. Students will take three electives this year, one each trimester. The Arts Specialists will make the class assignments for three trimesters based on this form.

To aid in your selection, students attend a mini class for every elective Tuesday-Thursday of this week, and we will upload a short video this evening by 5pm about the elective. Please check Class Dojo and Facebook for the link to the informational video and more details tonight after 5pm.

Please return this form no later than Friday AM, Sept 1st to your HOMEROOM teacher. Failure to return the form on time forfeits student choice and students will be placed based on availability.

List your TOP THREE choices for this year's electives IN ORDER OF PREFERENCE. First choice is not guaranteed, however we will do our best. Elective options are: 1) Dance 2)Music 3) Theatre & Film 4)Visual Arts 5)Photography 6)STEAM
